## MISSION REPORT FOR PHASE 2: BCC & TAG

BELIEVERS COMMUNITY CHURCH (BCC)

TANZANIA ASSEMBLIES OF GOD (TAG)

**MARCH 2025**

**Joanna Luggya**

Founder & Senior Pastor

**Muzeeyi Jamiru**

Administrator

**Lutalo Mark Jordan**

Mission Coordinator

### Overview

The *'Levites Capacity Transformation'* is a program that seeks to empower individuals serving in ministry roles within religious communities. Grounded in the rich tradition of the Levites' service in the biblical context, this program seeks to equip participants with the skills, knowledge, and spiritual depth necessary to excel in their roles and make a meaningful impact within their churches and communities.

## 1.0 EXECUTIVE SUMMARY

In March 2025, Levites Care Ministries successfully conducted two back-to-back Phase 2 missions of the Levites Capacity Transformation Program in Tanzania. These missions were held at Believers Community Church in Karagwe (14th–20th March) and Tanzania Assemblies of God in Bunazi (21st–28th March), building on Phase 1, which had been completed in 2024 for both church communities.

The Phase 2 sessions focused on advanced topics essential for sustaining impactful ministry work, including stewardship, deepening spiritual service, and effective children's ministry. These missions culminated in the graduation of 46 dedicated servants of God at Believers Community Church and 61 at Tanzania Assemblies of God, marking a significant milestone in their personal and spiritual development.

Through worship, prayer intercession, teaching, and spiritual deliverance sessions, participants were not only equipped with knowledge but also experienced deep spiritual renewal. The missions were marked by unity, transformation, and a shared desire among participants to serve with greater purpose and humility.

This report captures the structure, activities, and outcomes of each mission, highlights visual moments that defined the experience, and reflects on the overall impact the program continues to have across East Africa. As the program expands under God's guidance, these missions in Tanzania are a testament to the fruitfulness of training and empowering those who serve the Body of Christ.

## 2.0 INTRODUCTION

The Levites Capacity Transformation Program, an initiative by Levites Care Ministries, is founded on the biblical model of equipping those who serve in the house of God. The program is tailored to meet the spiritual, leadership, and practical needs of church individuals—often referred to as **modern-day Levites**—who play a vital role in sustaining the life and ministry of the local church.

Church leaders and ministry workers often carry immense responsibility, from teaching and counseling to organizing and interceding for their congregations. Despite their dedication, many of them lack structured training, spiritual renewal opportunities, and the personal support they need to thrive. The Levites Capacity Transformation Program was birthed to address this gap—offering spiritual formation, leadership development, and practical equipping for effective ministry.

This report documents two important Phase 2 missions of the program, which were held in Tanzania in March 2025. These missions served as a continuation of the Phase 1 training sessions conducted in 2024. Phase 2 was designed to solidify learning, evaluate growth, introduce advanced ministry concepts, and formally certify those who completed the full program.

The missions were hosted at:

- Believers Community Church, Karagwe (14th–20th March 2025)
- Tanzania Assemblies of God, Bunazi (21st–28th March 2025)

Each church welcomed the Levites Care team with open hearts and a hunger for growth. This report will highlight the objectives, structure, activities, and outcomes of both missions, as well as the shared impact of empowering 107 graduates who are now more spiritually grounded and better equipped to serve in their respective churches and communities.

## 3.0 OVERVIEW OF PHASE 2 MISSIONS

Phase 2 of the Levites Capacity Transformation Program builds directly on the foundational work carried out during Phase 1 in 2024. While Phase 1 introduced participants to core themes—Holy Spirit, Altar ministry, Worship, Anointing, and Children's Church—Phase 2 is designed to deepen that learning, evaluate real-world application, and formally recognize those who have fully embraced the program.

### Key Objectives of Phase 2:

- **Advanced Content Delivery:** Focus on two critical topics—Stewardship (managing God's resources with integrity and generosity) and an enhanced module on Children's Church (curriculum design, leadership skills, and age-appropriate discipleship).
- **Practical Application & Feedback:** Provide participants time between phases to implement Phase 1 lessons in their local contexts, then gather insights and challenges to inform Phase 2 teaching.
- **Spiritual Renewal:** Through daily worship sessions, intercessory prayer, and Spirit-led deliverance times, ensure each participant experiences both doctrinal growth and personal revival.
- **Certification & Commissioning:** Acknowledge consistency and commitment by formally certifying graduates who have attended all sessions and actively applied the material in their ministries.

### Program Design & Structure:

- **Five-Day Seminar Format:** Each mission consisted of five consecutive days of immersive training, beginning with worship (led by the Stewards of Worship choir) and intercessory prayer (led by the Levites Care intercessors).
- **Daily Rhythm:**
  1. **Morning Worship & Prayer** to center hearts on God's presence.
  2. **Teaching Session** on the day's topic, delivered by an experienced facilitator.
  3. **Interactive Q&A** to address local challenges and contextualize learning.
  4. **Spirit-Led Ministry Time**, where our senior pastor conducted deliverance and spiritual reinforcement.
- **Registration & Materials:** Participants were registered upon arrival and provided with name tags, notebooks, and pens—tools to aid note-taking and personal reflection throughout the week.

By intentionally spacing this advanced phase after Phase 1's groundwork, we enabled participants to integrate initial learnings, return with real-life questions, and engage more deeply with advanced stewardship principles. The result was two highly impactful missions in March 2025—at Believers Community Church, Karagwe, and Tanzania Assemblies of God, Bunazi—culminating in the graduation of 46 and 61 servants of God, respectively, who are now better equipped to lead, serve, and shepherd in their home churches.

## 4.0 MISSION ONE: BELIEVERS COMMUNITY CHURCH, KARAGWE

**Date:** 14th – 20th March 2025

**Location:** Karagwe District, Tanzania

**Graduates:** 46 Servants of God

### Summary of Activities

The first Phase 2 mission was hosted by Believers Community Church (BCC) in the Karagwe district, where Levites Care Ministries had previously conducted Phase 1 in 2024. The church welcomed the team with warmth, expectancy, and a hunger to grow deeper in service to God. This mission marked a continuation of the transformational journey that began the previous year.

The five-day seminar covered two core topics:

- **Stewardship** – emphasizing financial integrity, responsible ministry leadership, and the biblical principles of managing God's resources.
- **Children's Church (Advanced)** – training on curriculum planning, volunteer coordination, and spiritual development strategies for ministering to children.

Each day began with a vibrant worship session led by the Stewards of Worship choir, followed by intercessory prayer from the Levites Care team. These sessions cultivated a deeply spiritual atmosphere, preparing participants' hearts for the teachings. The training sessions were delivered by our experienced facilitators, each focusing on one topic per day and engaging the participants through discussions and Q&A segments.

After each teaching session, our senior pastor led a time of spiritual ministry, including prayer and deliverance for those in need. Many participants testified to experiencing healing, renewal, and spiritual breakthroughs during these moments.

The mission culminated in a graduation ceremony, where 46 participants who had faithfully completed both Phase 1 and Phase 2 were awarded certificates. The atmosphere was filled with joy, gratitude, and a renewed sense of calling.

### Certification and Outcomes

- 46 participants successfully completed the full program and received official certification.
- Participants demonstrated improved confidence in teaching, leading, and managing ministry responsibilities.
- Several church leaders reported that their teams returned to service with increased spiritual fervor and clarity in their ministry roles.

## Visual Highlights

The following moments were visually captured during the Karagwe mission:

- Opening worship led by the Stewards of Worship choir.
- Church premises and host
- A time of spiritual ministry by Pr. Joanna Luggya.
- Intercessory prayer circles involving both the Levites Care team and local church leaders.
- Training sessions with attentive participants taking notes and engaging in discussion.
- A joyful graduation ceremony with the handing over of certificates.
- Group photos of all graduates, facilitators, and the hosting church leadership.

These images will be compiled in the appendices and are available upon request for visual reference and sharing.

## 5.0 MISSION TWO: TANZANIA ASSEMBLIES OF GOD, BUNAZI

**Date:** 21st – 28th March 2025

**Location:** Bunazi Town, Tanzania

**Graduates:** 61 Servants of God

### Summary of Activities

Immediately following the Karagwe mission, the Levites Care Ministries team continued the second Phase 2 mission at Tanzania Assemblies of God (TAG) in Bunazi. This church community had also completed Phase 1 in 2024 and warmly welcomed the team for the continuation of their transformational journey.

The seminar followed the same structure as the previous mission, spanning five days of teaching, worship, prayer, and ministry. Participants engaged deeply with the advanced teachings on:

- **Stewardship** – focusing on biblical accountability, church resource management, and fostering a spirit of responsibility over one's calling for ministry.
- **Children's Church (Advanced)** – equipping leaders with skills to disciple children more effectively, build stronger children's ministry teams, and establish lasting spiritual foundations.

Each day began with passionate worship sessions led by the Stewards of Worship and was followed by Spirit-filled intercession from the Levites Care intercessory team. The environment was charged with expectation, which made room for the Holy Spirit to move mightily throughout the training.

The sessions were interactive, allowing participants to ask church-specific questions, share ministry experiences, and receive guidance from our facilitators. The final sessions often included Spirit-led ministry moments where many participants experienced breakthrough, deliverance, and renewed commitment to their service in God's house.

The week concluded with a joyful graduation celebration, where 61 servants of God were awarded certificates for completing the full *Levites Capacity Transformation Program*. The sense of unity and accomplishment among participants was palpable, as they rejoiced together in what God had done in and through them.

### Certification and Outcomes

- 61 participants successfully completed both Phase 1 and Phase 2, and received certificates of graduation.
- Many participants expressed a renewed sense of identity and purpose in ministry.
- The church leadership testified to the tangible growth they had seen in their teams since Phase 1, further deepened by the Phase 2 training.

## Visual Highlights

The Bunazi mission produced a variety of visual moments, including:

- Worship led by the Stewards of Worship choir, with vibrant participation from the congregation.
- Teaching sessions with attentive, note-taking participants.
- Group discussions and Q&A segments that allowed participants to share and learn from one another.
- A moving graduation ceremony with certificate presentations and prayers of commissioning.
- A full-group photo with all graduates, church leaders, and the Levites Care team, symbolizing unity and shared mission.

## 6.0 GRADUATION AND IMPACT

The culmination of the Phase 2 missions at Believers Community Church (Karagwe) and Tanzania Assemblies of God (Bunazi) marked a significant spiritual and developmental milestone for both churches. Across the two missions, a total of **107 servants of God** successfully completed the Levites Capacity Transformation Program, each receiving formal certification as a symbol of their growth, consistency, and commitment to ministry.

### Significance of Graduation

The graduation ceremonies were not merely ceremonial; they represented the fruit of commitment and devotion—spiritually, mentally, and practically. Each participant had journeyed through both foundational (Phase 1) and advanced (Phase 2) training, covering areas essential to building strong, Spirit-led ministry teams within their churches.

Participants were certified not just for attendance, but for:

- Consistent participation across both phases.
- Active engagement in teachings, Q&A sessions, and spiritual assignments.
- Demonstrated growth in leadership, prayer life, and understanding of ministry responsibilities.
- The certificates served as a personal and spiritual milestone, and for the churches, a signal that their ministry capacity has been strengthened from within.

### Observed Impact in Churches

- **Revived Ministry Teams:** Graduates returned to their ministry roles with fresh vision and deeper understanding. Church leaders reported greater teamwork, prayer initiative, and confidence in service.
- **Multigenerational Growth:** The enhanced Children's Church module has already inspired several graduates to reorganize and re-launch children's ministries with clearer structure and spiritual focus.
- **Strengthened Stewardship Culture:** Churches noted a shift in how leaders approached responsibilities—more accountability, intentionality, and faithfulness in managing both spiritual and material resources.

### Testimonies

Several participants shared heartfelt testimonies of personal transformation, including breakthroughs in prayer, deliverance from spiritual stagnation, and a renewed calling to serve with excellence. One participant from Bunazi shared:

"I had been serving for years, but this program gave me a deeper understanding of my calling and how am supposed to conduct myself in-order to glorify God's Kingdom more."

Across both missions, it was evident that God used the Levites Capacity Transformation Program to bring lasting change—not only to individuals, but to entire church communities.

## 7.0 ACHIEVEMENTS

The March 2025 Phase 2 missions at Believers Community Church (Karagwe) and Tanzania Assemblies of God (Bunazi) yielded several noteworthy achievements that include:-

### 1. Successful Certification of 107 Participants

A combined total of 107 participants (46 from BCC and 61 from TAG Bunazi) were certified upon successful completion of both phases of the program. This milestone signifies their consistent attendance, engagement, and demonstrated growth in both foundational and advanced ministry topics.

### 2. Enhanced Ministry Readiness

Participants reported increased confidence and readiness to take on greater roles in their churches. Many have already begun applying the teachings on stewardship and children's ministry, leading to more organized and effective service within their congregations.

### 3. Positive Participant Feedback

The program received strong, positive feedback from participants across both locations. Many highlighted the clarity of the teaching, the spiritual depth of the sessions, and the practical nature of the topics. The interactive Q&A segments and Spirit-led ministry times were particularly appreciated as they allowed space for personal reflection, questions, and healing.

### 4. Strengthened Church Leadership Structures

Church leaders from both host churches acknowledged that the program helped shape and solidify leadership within their ministries. Participants gained new insights into how to serve as faithful stewards and spiritually grounded team members, resulting in stronger internal church structures.

### 5. Deeper Spiritual Engagement

The combination of teaching, worship, prayer, and deliverance created an environment where many participants encountered God in a personal and life-changing way. Several reported spiritual breakthroughs, renewed callings, and a deeper hunger for God's Word and presence.

### 6. Effective Use of Program Tools

From registration to the final session, participants made full use of the materials provided (name tags, notebooks, pens, teaching handouts). This contributed to active participation and allowed them to take notes they could refer back to in their personal study and ministry work.

### 7. Expansion of Program Reach in Tanzania

These missions represent the growing reach of the Levites Capacity Transformation Program across Tanzania. With successful missions now held in multiple districts, the program continues to build momentum for future expansion into other regions—strengthening churches one community at a time.

## 8.0 CHALLENGES AND SOLUTIONS

While the Phase 2 missions in Karagwe and Bunazi were successful, they were not without their challenges. However, by God's grace and the dedication of the Levites Care Ministries team, each obstacle was met with practical solutions that ensured the mission's success and the participants' full experience.

### 1. Language Barrier

#### Challenge:

Some facilitators conducted sessions in English, while participants in both locations primarily spoke Swahili, which at times created communication gaps during teaching and discussions.

#### Solution:

Local translators were engaged at both sites to provide real-time interpretation. Additionally, the worship team learnt Swahili worship songs to help engage the audience during sessions.

### 2. Resource Constraints

#### Challenge:

As two missions were conducted back-to-back, there was considerable strain on logistics, financial resources, and team energy levels. Accommodation, transportation, and material costs required tight coordination.

#### Solution:

The team maximized efficiency by pre-packing materials and reusing non-expendables (e.g., worship equipment and teaching tools). Financial resources were carefully managed through prior budgeting, and local churches supported in kind by providing volunteers, meals, and on-ground assistance to reduce expenses.

### 3. Physical and Spiritual Exhaustion

#### Challenge:

Due to the intensity of the mission, especially with back-to-back ministry days and spiritual deliverance sessions, the Levites Care team experienced fatigue toward the end of the second mission.

#### Solution:

Intercessors increased prayer covering over the team, and daily debriefs were held for encouragement and rest planning. The team also rotated responsibilities where possible to allow for rest and renewal between sessions.

## 9.0 FINANCIAL OVERVIEW

The following table shows the expenditure for both missions in Tanzania.

EXPENSE	AMOUNT(UGX)	UNIT COST	INFO
<b>Accommodation</b>	1,080,000/=	15,000/= per day per room	Karagwe: for 15 people for 9 days in 8 rooms
	720,000/=	10,000/= per day per room	In Bunazi for 15 people for 9days in 7 rooms
<b>Transport</b>	1,200,0000/=	Lump sum	For 9 people by bus
<b>COMESA License</b>	130,000/=	Lump sum	
<b>Private car fuel</b>	1,000,000/=	250,000/= per full tank	For 6 people
<b>Food Expenses</b>	3,500,000/=	Lump sum	For 16 days
<b>Name Tags/badges</b>	200,000/=	1000/= per tag	For 200 participants
<b>Note Books</b>	500,000/=	2500/= per book	For 200 participants
<b>Box of Pens</b>	34,000/=	Lump sum	For 200 participants
<b>Certificates</b>	400,000/=	2,000/= each	For 200 graduates
<b>TOTAL EXPENSE</b>	<b>8,764,000/= (\$2,434)</b>		

## 10.0 CONCLUSION

The completion of two back-to-back Phase 2 missions in Karagwe and Bunazi marks a defining moment in the growth and reach of the Levites Capacity Transformation Program. By God's abundant grace, Levites Care Ministries was able to train, empower, and graduate 107 dedicated servants of God—leaders who now return to their churches better equipped to serve, teach, and lead with renewed strength and purpose.

Both missions reflected the power of intentional discipleship and strategic equipping. From foundational truths taught in Phase 1 to the advanced insights of Phase 2, participants walked away spiritually renewed and practically prepared for greater ministry impact. The testimonies shared, the prayers offered, and the worship lifted all pointed to a singular truth: God is at work, raising up strong, Spirit-led leaders across His Church.

While the journey was not without challenges, every obstacle was met with prayerful solutions and unwavering commitment from the Levites Care team and our local partners. The back-to-back missions also affirmed the strength of our mission model and the grace upon this vision to scale, deepen, and sustain ministry effectiveness in diverse regions.

As this chapter in Tanzania concludes, we carry forward the joy and fruit of these missions with deep gratitude and renewed focus. The seeds planted in Karagwe and Bunazi are already bearing fruit in leadership transformation, ministry growth, and the revival of servant-hearted ministry.

To God be all the glory for what He has done—and for what He is yet to do as we continue to raise, equip, and empower Levites across nations.

## 11.0 ACKNOWLEDGEMENTS

Levites Care Ministries extends heartfelt gratitude to everyone who made the March 2025 Phase 2 missions in Karagwe and Bunazi a success. These missions were not the work of one individual or team—but the result of collective dedication, prayer, and support under the leading of the Holy Spirit.

### **First and foremost, we thank our Lord Jesus Christ,**

whose grace, favor, and divine guidance sustained us throughout every session, every journey, and every interaction. Without His presence and power, none of this would have been possible.

### **To the leadership and congregations of:**

- Believers Community Church, Karagwe, and
- Tanzania Assemblies of God, Bunazi

We sincerely thank you for your warm welcome, servant-hearted cooperation, and willingness to open your churches to this vision. Your hunger for growth and commitment to excellence in ministry deeply inspired us.

### **To our facilitators, worship leaders, and intercessors:**

Thank you for your faithfulness, your time, and your unwavering commitment to see lives transformed. Each of you contributed in your own way—whether through teaching, praying, or leading in worship—and your labor in the Lord was not in vain.

### **To our logistics and operations team:**

Your tireless behind-the-scenes efforts made each day run smoothly. From coordinating materials to managing transport and ensuring everyone was fed and cared for, your attention to detail upheld the mission's quality and excellence.

### **To our generous donors and ministry partners:**

You may not have stood at the altar, but your support built it. Your financial contributions, encouragement, and belief in this vision made it possible to train 107 leaders in two regions—leaders who will now multiply this impact in their churches and communities.

### **Finally, to every graduate of the Levites Capacity Transformation Program:**

You are the reason we serve. Your hunger, your humility, and your heart to serve the Church inspire us to keep going. May the Lord continue to strengthen and anoint you as you walk boldly in your calling.

With deep gratitude and joy,

we honor every person who stood with us in prayer, provision, and partnership. Together, we are building a stronger Church—one Levite at a time.

## 12.0 APENDICES

The Appendices section of this report contains supplementary materials that provide additional context and support for the information presented in the main sections. These materials include detailed documents, data, and other resources referenced throughout the report, offering a deeper insight into the implementation and impact of the *Levites Capacity Transformation Program* at *Believers Community Church, Karagwe and Tanzania Assemblies of God, Bunazi*.
