1.0 EXECUTIVE SUMMARY

From 1st to 4th December 2024, Levites Care Ministries conducted the Levites Capacity Transformation Program at Langa Langa Pentecostal Assemblies of God Church in Nakuru City, Kenya. This mission aimed to uplift the church's servants of God, providing them with essential spiritual and practical tools to enhance their ministry roles.

With a turnout of over 60 participants, the program focused on four of our core lessons: Holy Spirit, Altar, Worship, and Anointing. These topics were carefully selected to address the church's needs, as their Children's Church ministry was already well-developed and did not require further training. Participants engaged deeply with the teachings, finding renewed purpose and growth in their spiritual journeys.

Despite cross-border logistics and the unique needs of the hosting church, the program was successfully executed, demonstrating the adaptability and commitment of the Levites Care Ministries team. The mission fostered a sense of unity, encouraged spiritual growth, and equipped participants with practical tools for more effective service in their ministries.

The positive feedback received from the participants and the Senior Pastor *Rev. Joseph* affirms the transformative power of this program. By empowering church leaders and members, Levites Care Ministries continues to fulfill its mission of strengthening church communities and advancing God's work. This report outlines the key achievements, challenges, and overall impact of this mission.

2.0 INTRODUCTION

The Levites Capacity Transformation Program is an initiative by Levites Care Ministries aimed at equipping and empowering God's servants to serve their congregations effectively and faithfully. From 1st to 4th December 2024, the program was held at Langa Langa Pentecostal Assemblies of God Church in Nakuru City, Kenya. This church was in need of spiritual and practical uplifting for its servants of God to overcome challenges in ministry and fulfill their roles with greater dedication and purpose.

This mission brought together over 60 participants, including church leaders, ministry volunteers, and congregation members. Over the four days, participants engaged in lessons designed to deepen their spiritual understanding and equip them with practical tools for ministry. The core lessons covered during this program included **Holy Spirit**, **Altar**, **Worship**, and **Anointing**, carefully tailored to meet the church's specific needs. The topic of **Children's Church** was excluded, as the church was already well-versed in this area.

The program also addressed a critical challenge within the congregation: a lack of willingness to volunteer for ministry roles without the expectation of financial compensation. Through the teachings and spiritual interventions, this unfruitful mindset was uprooted, resulting in significant changes within the church community.

This report provides an overview of the mission, highlighting the program's implementation, achievements, challenges faced, and the transformative impact it had on Langa Langa Pentecostal Assemblies of God Church. It is a testament to the power of equipping God's servants with the knowledge and spiritual empowerment needed to serve with excellence and commitment.

3.0 OBJECTIVES

- ✚ To enhance the skills, knowledge, and effectiveness of individuals serving in church ministries, ranging from pastoral roles to volunteer positions.
- ✚ To create strengthened church communities that are more effectively engaged in serving their members and surrounding neighborhoods.
- ✚ To increase effectiveness and impact of church ministries, leading to greater spiritual growth and transformation within congregations.
- ✚ To create empowered and confident church leaders and volunteers who are equipped to fulfill their roles with excellence

4.0 PROGRAM PHASES

The Levites Capacity Transformation Program is structured into two distinct phases, each designed to provide foundational teachings and practical applications for spiritual and ministry growth. These phases allow participants to internalize and apply the teachings at a sustainable pace. At *Langa Langa Pentecostal Assemblies of God Church*, only Phase One was conducted during this mission, with plans to return for Phase Two in 2025.

4.1 PHASE ONE: INTRODUCTION AND CORE TEACHINGS

Phase One is foundational, introducing participants to the program's purpose and equipping them with key lessons for their spiritual and practical growth. At *Langa Langa Pentecostal Assemblies of God Church*, Phase One focused on the following four core topics:

1. **Holy Spirit:** Helping participants understand the presence and work of the Holy Spirit in their personal lives and ministry.
2. **Altar:** Highlighting the importance of the altar as a sacred place of connection and worship.
3. **Worship:** Exploring worship as both a lifestyle and a vital aspect of ministry.
4. **Anointing:** Teaching the significance and application of God's anointing in the lives of His servants.

The program was delivered over a five-day seminar, with each topic covered on a designated day by expert facilitators. Sessions were interactive and complemented by worship, prayer intercessions, and spiritual deliverance led by the senior pastor. These activities ensured that participants not only gained knowledge but also experienced personal and spiritual renewal.

4.2 PHASE TWO: PRACTICAL IMPACT AND ADVANCED TRAINING (PLANNED FOR 2025)

Phase Two is designed to build upon the foundation laid in Phase One, focusing on advanced topics and practical implementation. For *Langa Langa Pentecostal Assemblies of God Church*, this phase will address additional areas of need, such as stewardship and leadership development, while reinforcing the teachings from Phase One. The return in 2025 will allow time for participants to apply what they've learned and reflect on their experiences, creating a solid foundation for deeper engagement in Phase Two.

4.3 PHASED APPROACH FOR SUSTAINABLE GROWTH

The phased implementation ensures that participants can fully absorb and apply their learning before progressing to the next stage. For this mission, Phase One laid a strong foundation of spiritual growth and practical skills, with plans to expand on this success during Phase Two next year. The structured approach aligns with the program's goal of fostering lasting transformation within church communities. This phased strategy has already demonstrated significant impact at *Langa Langa Pentecostal Assemblies of God Church*, and we look forward to returning in 2025 to continue building on this success.

6.0 IMPLEMENTATION AND METHODOLOGY

The **Levites Capacity Transformation Program** at *Langa Langa Pentecostal Assemblies of God Church* in Nakuru City, Kenya, was implemented with a well-structured approach designed to meet the unique needs of the church community. Below is a detailed account of the program's execution and methodology:

6.1 PARTNERSHIP, VISION CASTING AND NEEDS ASSESSMENT

During this stage, the Levites Care Team visited the church premises on 8th September 2024. On this day, Pastor Joanna, Founder of Levites Care Ministries was able to talk to the congregation and Leadership of the church explaining to them in detail the Vision of the Levites Capacity Transformation program. After, Levites Care Ministries engaged with the leadership of *Langa Langa Pentecostal Assemblies of God Church* to identify the specific needs of the congregation and the date of Program commencement. Through this collaboration, it was determined that the church required support in uplifting its servants of God, focusing on core areas such as spiritual growth, worship, and ministry effectiveness.

6.2 ORGANIZATION OF THE SEMINAR

The program was conducted as a five-day seminar from 1st to 4th December 2024, held on the church premises to ensure accessibility and familiarity for participants. Key organizational steps included:

- **Accommodation Arrangements:** The church's accommodation facilities were sufficient to house the entire Levites Care Ministries team for the duration of the seminar. This arrangement eliminated the need for external accommodation expenses, ensuring cost-effective program implementation.
- **Participant Registration:** Over 60 participants were registered on the first day, receiving name tags, notebooks, and pens to facilitate active engagement during the sessions.

6.3 DAILY STRUCTURE

Each day of the seminar was carefully planned to balance spiritual activities and structured learning:

- **Worship Sessions:** Each lesson began with a worship session led by the “Stewards of Worship” choir, setting a spiritual tone for the day.

- **Teaching Sessions:** Facilitators taught one core topic per day in English with help of Swahili translators found at the Church, covering *Holy Spirit, Altar, Worship, and Anointing*. The topics are taught by two or more facilitators; the first facilitator introduces the topic and the second facilitator finishes the remaining content of the topic. The sessions were interactive, combining lectures, discussions, and Q&A to ensure participant understanding.

6.4 METHODOLOGY

The program employed a holistic methodology, integrating spiritual engagement and practical training:

- **Interactive Learning:** Sessions encouraged active participation through real-life examples, and hands-on exercises.
- **Spiritual Renewal:** Worship and prayer intercession created an atmosphere of spiritual transformation, complementing the teachings.
- **Tailored Content:** Topics were chosen based on the church's specific needs, with the Children's Church topic omitted due to the church's existing strength in this area. The Church had a well-structured Sunday school with 3 classes of different age groups to ensure that the right information is delivered to the right age.

6.6 IMPACTFUL DELIVERY

The combination of teachings, worship, and prayer sessions fostered a deeper connection with God and empowered participants to serve their church with renewed commitment. This carefully planned and executed approach ensured the program met its objectives effectively, leaving a lasting impact on the participants and the church community. Plans are underway to return for Phase Two in 2025 to build on the success of this mission.

7.0 ACHIEVEMENTS

The Levites Capacity Transformation Program at Langa Langa Pentecostal Assemblies of God Church in Nakuru City, Kenya, was a transformative experience for both the participants and the church community. Over the four days of the program, several significant achievements were realized:

1. **Spiritual Growth and Renewed Purpose**

Participants experienced profound spiritual growth and a renewed sense of purpose in their roles as servants of God. The core lessons on the Holy Spirit, Altar, Worship, and Anointing equipped them with practical and spiritual tools to serve their congregations with excellence.

2. **Transformation of Congregational Mindset**

One of the most remarkable outcomes of the program was the transformation of the congregation's mindset regarding ministry roles. Previously, many members were unwilling to volunteer in serving God without expecting financial compensation. However, through the teachings and spiritual deliverance sessions, this fruitless spirit was uprooted.

3. **Testimony from the Senior Pastor**

A few days after the program, Senior Pastor Rev. Joseph testified that more congregants began stepping forward to volunteer in various ministry roles such as ushering, cleaning the church, and joining the choir. This shift in attitude highlighted the program's immediate impact on fostering a culture of service within the church.

4. **Enhanced Unity and Fellowship**

The program brought participants together, fostering unity and collaboration among the church members. Worship sessions, prayer intercessions, and interactive teachings created a shared experience that strengthened relationships within the congregation.

5. **Empowerment of Leaders and Servants**

The program equipped church leaders and volunteers with valuable insights and skills, enabling them to approach their ministry roles with greater confidence and effectiveness. The teachings provided a strong foundation for continued growth and service.

These achievements underscore the significant and lasting impact of the Levites Capacity Transformation Program. The program not only empowered individuals but also catalyzed a cultural shift within the church, fostering a stronger, more united community dedicated to serving God and His people. Plans to build on these achievements in Phase Two of the program in 2025 further highlight the success and sustainability of this mission.

8.0 CHALLENGES AND SOLUTIONS

The mission at Langa Langa Pentecostal Assemblies of God Church in Nakuru City was marked by notable successes, but it also presented several challenges. Despite these obstacles, the Levites Care Ministries team demonstrated resilience and adaptability, ensuring the mission's objectives were achieved. Below are the key challenges faced and the solutions implemented:

Transportation Delay

The team experienced a significant delay during their return journey to Kampala. The bus scheduled to depart Nakuru City at 11 PM on 5th December 2024 was delayed due to mechanical issues and did not arrive until 3 AM on 6th December. This four-hour delay forced the team to wait out in the cold, which was physically and mentally taxing. The bus company was responsible for the delay.

Solution

While the delay was beyond the team's control, they maintained their composure and supported one another during the wait. Once the bus arrived, the journey back to Kampala proceeded without further issues. To avoid similar occurrences in the future, the team plans to explore more reliable transportation company options.

Language Barrier

Conducting the program in a different geographical area presented a language barrier, as some participants spoke predominantly in Kiswahili, while facilitators were more proficient in English. This gap made it challenging to convey complex spiritual and practical concepts effectively.

Solution

The team worked with church translators who assisted in bridging the communication gap hence ensuring that participants fully engage with the program's teachings.

Cultural and Religious Sensitivities

The church community had unique cultural and religious practices that required careful navigation to avoid any unintentional offense or misunderstanding. For example the Church had morning devotion prayers everyday from 5:30am to 7:00am. The Levites team had to adapt to this practice and ensure to participate in these morning prayers without fail. Adapting to these sensitivities while maintaining the integrity of the program's execution posed a slight challenge.

Solution

The team took the time to learn about the local customs and engaged with church leaders to understand the congregation's specific cultural and religious context. Facilitators adjusted their teaching styles and examples to ensure alignment with the community's values, fostering a respectful and inclusive environment.

9.0 FINANCIAL OVERVIEW

For the Levites Capacity Transformation Program to be held at *Langa Langa Pentecostal Assemblies of God Church*, there are steps taken before program commencement. These steps include Networking and Vision Casting both of which require certain expenses. On 1st September 2024, the Levites team of four individuals travelled to Kenya to attend the *Great Collaboration Conference held at CMM bible college, Rimuru*. This was aimed at connecting with Church leaders in Kenya so as to build a strong network that we can use to run our program in the nation. In this conference we were able to connect with *Rev. Onesmus*, a powerful man of God leading a number of churches in the nation. In 2025, we have already set up plans to hold our program at his church. After this conference on 8th September 2024 we travelled to Nakuru City for Vision Casting at *Langa Langa Pentecostal Assemblies of God*. Below is a breakdown of the estimated financial allocations for the Networking Conference in Rimuru, vision casting in Nakuru City and the Church Mission.

EXPENDITURE FOR VISION CASTING AND NETWORKING CONFERENCE

Accommodation Savings

The team's accommodation was provided by the church's facilities, eliminating the need for external lodging expenses. This contributed to significant savings in the overall budget and allowed more resources to be allocated to other critical areas of the program.

10.0 CONCLUSION

The Levites Capacity Transformation Program at Langa Langa Pentecostal Assemblies of God Church was a transformative mission that left a lasting impact on the participants and the church community. Over the course of four days, over 60 participants engaged deeply with teachings on the Holy Spirit, Altar, Worship, and Anointing, equipping them with practical and spiritual tools to serve their congregations effectively.

This mission addressed significant challenges within the church, including a reluctance among congregants to volunteer for ministry roles. By God's grace, this mindset was uprooted, and a renewed culture of service began to emerge. The testimony from Senior Pastor Rev. Joseph, highlighting the increased willingness of members to take on roles such as ushering and cleaning reflects the transformative power of the program.

Despite challenges such as transportation delays, language barriers, and the need for cultural sensitivity, the Levites Care Ministries team demonstrated resilience and adaptability, ensuring the program's success. The logistical support from the church, including the provision of accommodation, further strengthened the collaboration and contributed to the mission's efficiency.

As we look ahead to Phase Two of the program in 2025, we are confident that the seeds sown during this mission will continue to bear fruit, empowering God's servants to serve with renewed passion, purpose, and dedication. To God be the glory for the success of this mission and the lives it has touched.

11.0 ACKNOWLEDGEMENTS

We extend our heartfelt gratitude to all who contributed to the success of the Levites Capacity Transformation Program at *Langa Langa Pentecostal Assemblies of God Church in Nakuru City, Kenya*. This mission was a collective effort, and its success reflects the dedication, support, and prayers of many individuals and organizations.

First, we give all the glory to our Lord Jesus Christ, whose grace, provision, and guidance enabled us to execute this mission successfully. His presence was evident throughout the program, bringing transformation and renewal to His servants.

We sincerely thank the leadership and congregation of Langa Langa Pentecostal Assemblies of God Church for their warm welcome, collaboration, and support. The provision of accommodation for the Levites team and the church's active participation were pivotal in making this mission a success.

Special gratitude goes to our donors and partners, whose generous contributions made this program possible. Your financial support allowed us to reach over 60 participants with impactful teachings and spiritual renewal.

We also acknowledge the tireless efforts of the Levites Care Ministries team, including facilitators, intercessors, and volunteers, for their commitment and hard work. Your resilience in overcoming challenges, including the transportation delays and language barriers, is truly commendable.

Finally, we thank the participants who attended the program with enthusiasm and an open heart. Your willingness to learn, grow, and serve is the foundation upon which the success of this program rests. May God bless each one of you abundantly for your invaluable contributions to this mission.
